StepClick Prime 8mm – Gold Gate

Product Description

Elevate your home interior with our stunning range of StepClick Prime 8mm – Gold Gate Laminate flooring. Impressively constructed with an 8mm thickness for a hard-wearing finish, the AC4 durability rating means this laminate will withstand the comings and goings of a busy home, providing you with a top-quality floor that will stand the test of time. Boasting realistic wood features with knots and grains, our Gold Gate flooring exudes rustic charm with a perfect blend of warm caramel with cool cedar brown. Achieve the look of solid wood but at a fraction of the cost. Suitable for use in most rooms around the home, our StepClick Prime 8mm range can be installed over underfloor heating and benefits from an easy click fitting system making installation a breeze.
