

FLOORING REVOLUTION

HomeStep 7mm - Meltem

Product Description

HomeStep 7mm - Meltem is an excellent choice for those wanting a grey toned floor. The subtle mix of grey shades will complement any room, while still retaining traditional wood patterns and grains. Give your space the ultimate makeover with the Homestep Laminate Range. Consisting of an exclusive selection of stylish and popular shades, this high quality range is both durable and hard wearing without breaking the bank. Laminate is increasingly popular among homeowners, being both affordable and long lasting. Just like all of our Laminate ranges, Homestep is resistant to both scratches and scuff marks making it a great choice for a busy home. Each plank boasts realistic patterns including knots, grains and patterns replicating the natural wood look, finished off by a 4V Bevel Edge creating the perfect look. Homestep is quick and easy to fit, for both professionals and do-it-yourselfers and can be finished off with our recommended accessories. Once fitted it has been tested to withstand heavy residential use, so you can be sure it is built to last.
